11. To further amend section 133 of the principal Act as amended by adding after subsection (133a) thereof the following subsections:—

"(15c.) Whenever the Council is desirous of proceeding with any work or undertaking in the pursuance of which any real property may be entered upon, taken, or used by the City in the exercise of any of its powers, or may be injuriously affected by the exercise of its powers, the Council may file plans and specifications of the work or undertaking, or certified copies thereof, with the City Clerk, who shall, on receiving the same, issue a notice setting out the Council's intention to proceed with such work or undertaking, and to enter upon, take, or use the lands necessary therefor, and that such plans and specifications have been filed with him and may be inspected at his office, and that all claims for damages by reason of the said proposed work or undertaking must be filed with him within sixty days from the service of such notice, and that such owners, occupiers, or other persons must file with the said Clerk, within the said period of sixty days, their claims for damages for any of the causes aforesaid, showing the amount thereof, or that in default thereof any claim for such damages will be barred; and he shall cause such notice to be served upon the owners and occupiers or other persons interested in the real property so to be taken, entered upon, or used as aforesaid, or which may be injuriously affected as aforesaid:

"(15d.) In case the person served as aforesaid is at the time of such service resident without the Province, a further period of thirty days shall be allowed such person to file his claim:

"(15e.) Service of any notice under this Part of this Act, except in cases of expropriation of the land, shall be deemed to be made, and shall be effectual and binding upon all persons concerned or liable to be affected thereby, upon the city complying with the following requirements: By posting by registered mail such notice to all persons who at the time of the filing of the said plans and descriptions are registered in the Land Registry Office of the district as the owners of the land or as mortgagees, or as persons having or claiming by registration under the provisions of any Statute any charge or encumbrance upon the same, addressed to such registered owners or encumbrancers at their usual or last-known place of abode; and in the case only of the registered owner or encumbrancer being dead, and no legal representative registered, or the persons registered being not *sui juris*, then by delivering such notice to the District Registrar of the said Land Registry Office for the district, who shall forthwith enter the said notice as a notice affecting the lands in question, and also by advertising five times such notice in some daily newspaper circulating in the municipality. Every such notice shall take effect as of the date of posting aforesaid, or of last advertisement as aforesaid:

"(15f.) Every claim under this Part of this Act shall be made pursuant to the said notice, and unless made, in the case of persons resident within the Province, within sixty days after the service of such notice, or in case of persons resident outside of the Province, within the said further period of thirty days, shall be barred and extinguished, unless upon application to a Judge of the Supreme Court, or to the Judge of the County Court of the county in which such city or town or other municipality is situate, and upon giving to the said Council at least seven days' notice of such application, such Judge allows the claims to be made and served. Either party may appeal from the decision of the Judge to the Court of Appeal, but every such claim shall be absolutely barred and extinguished unless made within a period of one year from the service of the said notice:

"(15g.) If any claim is so filed within the time aforesaid, the same, unless accepted by the Council, shall forthwith be determined by arbitration under this section:

"(15h.) If any real property is entered upon, taken, or used by the municipality or injuriously affected by the municipality in the exercise of any of its powers, and the Council does not give notice under section 362 hereof, the owner may nevertheless file a claim, and the said claim shall, unless accepted by the Council within ten days thereafter, forthwith be determined by arbitration under this section:

"(15i.) The person making a claim shall deliver full particulars of the damages for which such claim is made, and the arbitrator or arbitrators, upon the hearing of the claim, shall have the same power as to the amendment generally, or to amend such claim or particulars, or any proceeding had or taken upon the hearing thereof, as a Judge would have in an action; and the arbitrator or arbitrators may, in his or their discretion, refuse at any time to hear, upon any matter or question, further evidence of a cumulative character."

To amend subsection (2) of section 23 of the "Vancouver Incorporation Act, 1900, Amendment Act, 1907," by inserting after the word "up," in the second line thereof, the words "widening, prolonging."

To amend section 23 of the "Vancouver Incorporation Act, 1900, Amendment Act, 1907," by adding at the end thereof the following subsection (4):—

"(4.) Notwithstanding anything in this Act contained, the Council, in the case of the opening-up, widening, prolonging, or extending of any street, lane, alley, or highway, may by by-law provide that the proportion of the cost of such work chargeable against the property benefited thereby shall be assessed and levied by special rate on such property according to the assessed value thereof: Provided, however, that this subsection shall not prejudice or affect the rights and powers of the Council under subsection (4) of the preceding section 22 hereof."

13. To amend the principal Act and amendments thereto so as to authorize and empower the city to issue and sell its debentures or stock in series of such length of time and nature as shall be deemed advisable, all of any one series being redeemable at the same time, with provision for redemption at any time during the period over which such series shall extend.

To amend the principal Act and the amendments thereto so as to provide, in respect to local improvement and debentures therefor, that stock, as provided by sections 124A to 124F, inclusive, of the principal Act, may be issued instead of debentures; that the city shall be liable for principal and interest to holders of such debentures or stock; that the city may pass collective or cumulative by-laws consolidating the different amounts required under different local improvement by-laws, or under different money by-laws, in a general consecutive issue or series of stock or debentures under such consolidated by-law; that the city make an estimate each year of the amount of money required to pay for the cost of local improvements during such year, and may by by-law authorize the issue and sale of debentures or stock for the purpose of raising such sum prior to completing or proceeding with the construction of such local improvements, and may also include in such by-law the amount of any debts authorized by any by-laws passed in the same year under the general borrowing powers and any debts of the city created by the Legislature, and may direct the issue in one series of the debentures or stock authorized to be issued by all or any of such by-laws with the debentures or stock to be issued for raising the amount estimated for local improvements as aforesaid, and may provide for a sinking fund, or make the debt payable by instalments of principal and interest as provided by the principal Act in regard to borrowing money, and may extend the time for payment of the debt in either of such methods for such length of time as the Council may

deem necessary, notwithstanding that the frontage or property assessments in connection with such local improvements may be payable at one or more different periods, and may consolidate any such debts by one or more such by-laws, and for the purpose of making the dates of payment uniform may, without resubmitting any by-law, change the date of payment or maturity of the debentures or stock authorized to be issued by any by-law for the borrowing of money; and that, in case any such change in the payment period is made, a recompensation shall be made of the amount necessary for the annual levy of sinking fund or instalment of principal and interest, and that it shall not be necessary to submit to the electors any by-law of any nature above mentioned.

14. To repeal sections 233 to 235, inclusive, of the principal Act, as enacted by section 10 of the "Vancouver Incorporation Act, 1900, Amendment Act, 1907," and to enact in lieu thereof the following sections 233, 234, and 235:—

"In each year succeeding the said first election of such last-mentioned members there shall be elected as many members of said Board as shall be necessary to fill the places of the members whose terms of office then expire, so as to complete or continue the full complement of four members, and such members as are elected in each succeeding year shall hold office for two years from the date of their election, and from that time onward until their successors shall have been elected.

"In case of a tie at any such election the Returning Officer shall have a casting-vote.

"(3.) "(2.) The Council may by by-law or resolution impose upon or assign to the Board of Control such other duties as to the Council may seem meet.

"(3.) In all cases where it is sought to reverse, set aside, or vary the action of the Board of Control, or where a majority of the members of the Council present and voting is required for any purpose, the votes of yeas and nays shall be recorded in the minutes of the Council.

And whereas under and by virtue of "The Lynn Creek Roads (North) By-law, 1905," passed on the 6th day of December, 1905, for the purpose of establishing, opening up, making, preserving, and using public roads or highways, to be known as "Lynn Creek Roads (North)," the Reeve and Council of the said Corporation entered upon, appropriated, and took (*inter alia*) all and singular those certain parcels or tracts of land and premises situate, lying, and being in the Province of British Columbia, in the District of New Westminster, Group One, and being composed of parts of District Lot 1016, and which may be more particularly known and described as follows (all bearings being astronomic, magnetic variation 23° 45' E.), that is to say:—

First: Commencing at a point in the cement dam of North Vancouver Waterworks Intake, marked Station One, said point being distant as

follows from the south-east corner post of Subdivision "B" of Lot 1016, Group One, New Westminster District: Westerly along south boundary of said Subdivision "B" 762.7 feet; thence north 206 feet; thence N. 33° 05' E. 351.1 feet, more or less, to said point in cement dam; thence with a width of 120 feet N. 13° 30' W. 189.5 feet to the east bank of Lynn Creek; thence N. 14° 15' W. 653.2 feet; thence N. 32° 00' W. 180 feet; thence N. 25° 05' W. 132.6 feet; thence N. 69° 02' W. 98.2 feet; thence N. 57° 50' W. 117.6 feet; thence N. 58° 25' W. 201 feet; thence N. 47° 30' W. 158.7 feet; thence N. 18° 10' W. 236 feet; thence N. 16° 50' W. 222.4 feet; thence N. 12° 05' W. 169 feet; thence N. 8° 05' W. 191 feet; thence N. 23° 28' W. 194 feet; thence N. 39° 10' W. 212.8 feet; thence N. 45° 32' W. 192 feet; thence N. 8° 58' W. 212 feet; thence N. 8° 58' W. 206 feet; thence N. 25° 00' W. 84.5 feet; thence N. 21° 45' W. 138.5 feet; thence N. 62° 20' W. 2,065 feet to a point on the west bank of Lynn Creek; thence N. 58° 40' W. 92.3 feet to a point on the west boundary of said Lot 1016 distant 455 feet southward from the north-west corner of said Lot 1016, all having a width of 120 feet:

Seventh: Commencing at a point in the cement dam of North Vancouver Waterworks Intake and numbered Station 1; thence approximately S. 33° 05' E. 351.1 feet, more or less, with a width of 27 feet on each side of the boundaries of the present gazetted road; thence south 206 feet; thence S. 2° 02' E. 95 feet; thence S. 11° 00' W. 160 feet; thence S. 8° 45' E. 356 feet; thence S. 53° 00' E. 366.5 feet, more or less, to the intersection with the south boundary of said Lot 1016, and having all a width of 27 feet on each side of the boundaries of the present gazetted road as aforesaid; the foregoing description being approximately the centre line of the present gazetted road, with astronomic bearings and a magnetic variation of 23° 45' E.:

Eighth: Commencing at a point in the north boundary of Subdivision "A" of Lot 1016 distant 722.7 feet westerly along the said north boundary of Subdivision "A" from the north-east corner post of said Subdivision "A"; thence following north boundary of said Subdivision "A" westerly 340 feet; thence northerly in a line to the east boundary of Lot 1016 600 feet; thence easterly in a line parallel to the north boundary of said Subdivision "A" 340 feet; thence southerly in a line parallel to the west boundary of dam-site 600 feet, more or less, to point of commencement: excepting any such portion of above-described land which shall have already been appropriated for a road or highway, the remaining part containing an area of 3.57 acres, more or less. All which lands hereby appropriated for public roads being shown coloured red on a map or plan deposited in the Land Registry Office at Vancouver, and numbered : :

And whereas questions have arisen as to the rights of the owners of said District Lot 1016 with regard to compensation for the taking of said lands, and some difficulty has been found in reconciling the descriptions of the various portions thereof as hereinbefore described:

And whereas an agreement has been come to whereby the owners of said District Lot 1016 have dedicated by subdivision plans all necessary road allowances to meet the present requirements of the Corporation, and the Corporation has agreed to repeal the before-recited by-laws so far as the same relate to and affect said district lot:

Now, therefore, the Reeve and Council of the Corporation of the District of North Vancouver, in Council assembled, hereby enact as follows:—

1. "The Lynn Valley Road By-law, 1904," in so far as the said by-law relates to the establishing, opening, making, using, preserving, and extending a public highway in and through District Lot 1016, and the entering upon, expropriation, and taking of lands therefore as hereinbefore recited, is hereby repealed.

2. "The Lynn Creek Roads (North) By-law, 1905," in so far as the said by-law relates to the establishing, opening up, making, preserving, and using public roads or highways in and through District Lot 1016, and the entering upon, expropriating, and taking of lands therefore as hereinbefore recited, is hereby repealed.

3. The said "Lynn Valley Road By-law, 1904," in so far as the same is not hereby expressly repealed, and "The Lynn Creek Roads (North) By-law, 1905," in so far as the same is not hereby or by a by-law passed on the 18th day of October, 1907, repealed, are hereby confirmed and shall remain in full force and effect.

This by-law may be cited for all purposes as "The Lynn Creek Roads Repeal By-law, 1914."

Passed by the Council on the 7th day of December, 1914.

Reconsidered and finally adopted, signed by the Reeve and Clerk, and sealed with the corporate seal on the 10th day of December, 1914.

DOMINION ORDERS IN COUNCIL.

[2860]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 12th day of November, 1914.

PRESENT:

HRM ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 14th October, 1914, from the Acting Minister of the Interior, stating that the regulations for the disposal of petroleum and natural gas rights, the property of the Crown, approved by Order in Council dated 11th March, 1910, and the regulations approved by Order in Council dated 19th January, 1914, provide for the payment of rental after the first year at the rate of 50 cents an acre per annum, and for the installation, within one year from the date of the lease, of machinery and equipment suitable for carrying on prospecting operations on the location described in the lease;

That representations have been made to the Minister of the Interior that the financial stringency resulting from the war has rendered it exceedingly difficult for the lessees under these regulations either to pay the rental due, or accruing due on their locations, or obtain the means with which to install boring machinery necessary to prospect such locations, and numerous applications have been made to the Department of the Interior for extensions of time within which to comply with these requirements;

That the lessees have in all cases paid the rental for the first year, and in a few cases machinery has been installed and boring operations are being vigorously prosecuted, and the strict enforcement of the regulations would in a large majority of cases deprive the lessee of the rights which he has acquired, and in connection with which he has made a very considerable payment,—

That in view of the representations which have been made to the Department of the Interior as to the serious difficulty experienced in securing capital with which to engage in an enterprise involving a considerable element of risk, the Minister recommends that he be authorized to grant the lessees who have acquired their rights under the provisions of the Orders in Council above enumerated, an extension of time for one year from the 15th October, 1914, within which to pay, without interest, the rental for such rights which may now be due or which may become due before the 15th of October, 1915; also an extension of time for one year from the date upon which the required authority may be obtained within which to install machinery and

equipment on the locations leased, in the manner prescribed in the regulations approved by Orders in Council dated the 11th of March, 1910, and the 19th of January, 1914, above referred to.

The Committee concur in the foregoing and submit the same for approval.
